**Exclusive Factory Sale of
Bradbury
GRANDS, PLAYER-PIANOS, UPRIGHTS
By the Maker**

Also Used and Rebuilt Instruments.

This annual event is exclusive in that every Piano and Player-Piano offered is Bradbury-made.

The Used and Rebuilt Pianos carry the same guarantee and offer the same sense of security as a New Bradbury Piano.

Many of these Bradbury Pianos have been taken in exchange as part payment for New Bradbury-made Pianos from their satisfied owners—others have been returned from rent and concert use—they have been overhauled in our factory workshop and are in excellent condition.

Less Than Half Original Cost

Bradbury Pianos sold at \$400.00 to \$900.00 are in many cases marked at less than half their original cost.

Washingtonians know there have been more Bradbury-made Pianos sold in the District in the past thirty-nine years than any other artistic make. To make room for our 1916 models we make this liberal offer of our surplus stock, and to purchasers of Bradbury Pianos during this sale we will give the privilege of exchanging within a year and credit all money paid toward a New Bradbury or Chickering Piano.

This sale offers the opportunity to secure a Bradbury Piano at a price usually charged for Pianos of an unknown make.

Terms of payment can be arranged within reason to suit the purchaser's convenience.

P. S.—A number of Used Upright Pianos, standard makes, from \$50.00 up.
